A Response to Modern Noise

There Will Be No Quiet emerges at a time when societal discord, environmental upheaval, and technological saturation dominate daily life. Donwood, through this body of work, invites listeners and viewers to confront the overwhelming noise that pervades contemporary society, challenging them to find meaning or refuge within it.

Collaboration and Influences

While Donwood is best known for his work with Radiohead, There Will Be No Quiet marks a departure into a more experimental domain. It synthesizes influences from ambient music, noise art, environmental soundscapes, and visual art traditions. The project draws inspiration from:

- The dystopian visions of William Gibson and Philip K. Dick
- The environmental anxiety expressed in works by Rachel Carson and David Attenborough
