Understanding the Basics of Norwegian Language

Before diving into a beginner course, it's helpful to understand some fundamental aspects of the Norwegian language.

Norwegian Language Overview

Norwegian belongs to the North Germanic branch of the Indo-European language family. It shares similarities with other Scandinavian languages such as Swedish and Danish, making it easier for speakers of those languages to learn Norwegian.

The language has two official written standards:

- **Bokmål:** The most widely used standard, especially in urban areas and official documents.

For beginners, it's advisable to focus on Bokmål initially, as most learning resources are centered around it.
