What Is the Sandwich Graphic Organizer Retelling?

At its core, the Sandwich Graphic Organizer Retelling is a visual tool that breaks down a narrative or informational text into three primary sections: the top bun, the filling, and the bottom bun. Each part corresponds to a critical component of retelling: beginning, middle, and end.

The analogy of a sandwich helps learners remember the structure: just as a sandwich has a top and bottom bun holding the filling, a story has a beginning and ending that encase the central events. - What events are most important?
- How do the characters respond or change?

Purpose: To help students organize the main actions and details in the correct order, ensuring a logical progression.
